Dear Parent/Carer,

I hope that this letter finds you well.

I am aware that still we are being impacted by Covid. Thank you for all your support during the pandemic. I would also like to say thank you to all those that were able to visit the school last week for the parent consultation day. Hopefully, this will help us to focus on areas for development on the run up to their exams. Please don't hesitate to contact the school if we can support further.

It has been great to see the improvement in many of our student's attendance. Understandably it has been difficult for them, however, it is crucial that they do attend so we can support them into their next phase of education, employment or training.

It is also brilliant to see our students continuing to do so much for charitable causes. Putting others before themselves is a great attribute and something I feel immensely proud that they are doing. A lot of this good work is shared on our Twitter page, so if you don't already follow us, make sure you do!! It would be great to see more of you on our 'feeds'. @springfieldPRU

Please be advised that students will be able to leave school after their lunch on Friday 8th April at 12:50. Please let the school office know if there are any issues with this.

Finally, thank you as always for your continued support. Have a fantastic Easter.

Yours faithfully,

Colin Douro
